## The Forces Transition Group - Transition Day

### Your pathway to a successful civilian career!

Join us on **Wednesday, 19th November 2025, at Wetherby Racecourse** for another transformative event tailored specifically for service leavers, blue light professionals, ex-forces personnel, and their spouses. With over 70 exhibitors, this event is your gateway to new opportunities and a seamless transition into civilian life.

#### **Inspiring Opening Briefing**

Start the day with an engaging briefing from John Stephenson of the FTG, setting the tone for a day filled with actionable insights and guidance.

#### **Company Showcases**

Hear directly from FTG partner companies eager to recruit talented service leavers like you. These organisations understand the military mindset and recognise the value of your transferable skills. Prepare to be inspired as they pitch their opportunities and share what makes them the perfect fit for your next career move.

#### **Dynamic Q&A Session**

Have burning questions about your transition? Our expert panel of industry leaders will provide answers, guidance, and clarity to help you navigate uncertainties and prepare for success.

#### **Interactive Networking Opportunities**

Take part in a speed interview process where you can showcase your skills to companies actively seeking new talent. Forge meaningful connections and explore potential job opportunities during this fast-paced and focused session.

#### **Stay Refreshed**

An onsite café will be available to purchase food and drinks, ensuring you stay energised and focused throughout the day.

#### **Why Attend?**

- Connect with over **70 exhibitors** actively recruiting.
- Gain exclusive insights from companies and industry leaders.
- Access workshops and tools to prepare for a successful transition.
- Build valuable networks that will propel your civilian career.

Don't miss this incredible opportunity to set your course for a successful civilian future. **Join us on Wednesday, 19th November 2025, at Wetherby Racecourse** and take the next step toward your career transformation.

**Your future is waiting—are you ready to Be The Hunter?**

### **Timings for the day:**

**0830:** Doors open for refreshments

**0900:** John Stephenson Commencement Briefing

**0920:** Meet the Businesses - 60 second Presentations

**1020:** Q&A with our Businesses

**1100:** Networking/Interview Booking

**1130-1600:** Interviews

**1615:** Finish Time

see pg 4 & 5 for the venue floorplan...

## LEVEL 4

## **2BCompliant** - Transport Compliance & Driver CPC Training Services

The 2BCompliant team provide a complete transport compliance and driver CPC training service. Founded in 2019 by our CEO Darren Matthias, it is trusted by transport professionals throughout the UK who look to us to provide them with everything from driver CPC training to operator's licence audits and external transport managers.

**Allianz** - With a legacy dating back to 1890, Allianz is a global leader in insurance and asset management, operating in over 70 countries. Our diverse team includes actuaries, advisors, underwriters, tech experts, and more—united by a passion for protecting what matters most. We value individuality, champion growth, and empower our people to shape the future of our industry.

Discover career opportunities with Allianz in the UK.

**Altrad** - With over 10,000 people working for Altrad across the UK and Ireland, no two days are ever the same.

We serve a wide range of industry sectors; we strive to be the best we can be – everyday. At Altrad, you will be rewarded with the opportunity to build a progressive career in a company who values your ingenuity, creativity and ambition. Are you ready to accept our challenge?

**Amey** - Amey is a leading provider of full life-cycle engineering, operation and decarbonisation solutions for UK infrastructure. We work in a variety of markets to keep people moving, thriving and support economic growth. For the last 100 years we have transformed the UK's infrastructure. Join us and be involved in transforming it for the next 100 years. Joining us means becoming part of a vibrant and diverse community who are driven by a set of strong values, that focus on safety, insight, and collaboration.

**ARC CIVILS** - At ARC Civils we take pride in providing the necessary training and upskilling to members of the community that deserve it most.

We work closely with the DWP engaging in a back to work scheme for Veterans by ensuring they receive the training and support to further in their chosen field.

**AtkinsRéalis** - Engineering a sustainable world. We believe that game-changing engineering has the power to radically improve the way we are all housed, connected, powered, and protected, and in doing so, overcome many of the sustainability challenges we face. From designing end-to-end project solutions to pioneering new technologies and ways of working, everything we do supports our goal of delivering outstanding project outcomes for our clients – no matter the scale, complexity or location of their project.

**Aureos** - Aureos' Infrastructure Plant business is a Plant Operation Scheme (POS) provider you can trust, with an exemplary track record of providing a safe, quality service. We are proud to be part of Network Rail's POS, when working on the UK's train network.

Aureos is at the forefront of investing in the training and latest technologies to ensure our plant and equipment capabilities keep us at the forefront of the industry

**BAE SYSTEMS** - From complex engineering projects to world-class cyber security solutions, everyone at BAE Systems plays a part in helping our customers protect what matters most.

At the core of BAE Systems is an overarching purpose – we play our part in protecting what matters; making the future more secure for everyone by creating bold, pioneering security products and services that can change the world we live in.

**Biffa** - Whether we're turning waste into sustainable power, finding new ways to recycle it or simply keeping it off the streets, we believe every day is an opportunity to improve the lives of millions.

It's a view that's shared by our 11,000+ people, who trust us to provide them with a career that's always rewarding, often challenging, but never dull. With opportunities ranging from Drivers, Operations through to Business Support and everything inbetween.

**BT** - BT Group is home to a diverse array of talent. Our multi-skilled teams stretch across four brands: from sales, marketing, retail, and customer service through to procurement, project management, digital, and engineering. See where your experience could help us build a better, safer, and more sustainable world.

Welcome to a forward-looking working culture where you can find your path, take your next step, and fulfil your potential.

**Building Heroes** - Established in 2014, Building Heroes is dedicated to service leavers, veterans, reservists, military families and bereaved military family members. We provide training and employment support into a new career in construction by equipping individuals with a broad range of trade skills and then connecting them with a network of employers.

**Recruit. Reskill. Redeploy.**

**Citation** - For almost 30 years, our mission has been to create a world where businesses and the people in them are set up to own the future.

Starting from our home in Cheshire, we've grown to empower thousands of small to medium-sized businesses across the country to embrace risk and stay one step ahead with our hands-on HR, Health & Safety, Wellbeing, E-Learning, ISO Certification and SSIP Accreditation services.

**Colas Rail** - Colas Rail UK is a leading provider of On Track Plant and Freight Services. We work in collaboration with our customers, to offer a safe, flexible, adaptable and reliable service. We operate and maintain the largest, most advanced fleet of On Track Plant in the UK. Our maintenance division is spread across a large network of depots throughout the UK, which ensures nationwide availability and allows us to provide day-to-day maintenance contract requirements anywhere in the UK.

**Company X Consulting Ltd** - Company X Consulting Ltd or CXC delivers success across Government and Industry by embedding consultancy specialists to provide technical advice. CXC Ltd provides the business acumen to deliver results across the Project, Programme and Portfolio areas. From sophisticated engineering projects to world-first cyber security solutions, everyone at CXC Ltd plays a vital part in helping our clients achieve their goals.

**Durham County Council** - At Durham County Council, our values shape everything we do. We're committed to fairness, respect, and making a real difference in our communities. We believe in empowering people—both the residents we serve and the colleagues we work alongside. We're proud to offer a supportive, inclusive workplace where everyone can thrive. Our culture is built on collaboration, integrity, and a shared passion for public service.

**Force Four Training** - We're an ELCAS Accredited CMI Leadership and Management training company delivering leadership qualifications to serving personnel and service leavers. Our leadership qualifications are popular among service leavers as we work with you to create a bespoke course to suit your specific needs and objectives, there is no one size fits all here! Come and have a chat or drop us a line to discuss your next CMI qualification, we look forward to welcoming you on board with Force Four.

**Forward Assist Recruitment** - We offer a consultative and informed recruitment service dedicated to those who have served in the Armed Forces.

Working with employers from both the public and private sector across a broad spectrum of disciplines, through our commitment and integrity we match the right candidates to the right employers.

**Fujitsu** - With over 7,000 employees in the UK, Fujitsu is a global technology leader dedicated to making the world more sustainable through innovation and trust. For more than 50 years, we've powered the vital systems behind banks, retailers, energy providers, and government departments, keeping the UK running 24/7.

We combine deep business insight with cutting-edge digital solutions, offering exciting career opportunities across a wide range of sectors.

**G4S / Staffline** - G4S is a global business with operations in more than 85 countries. We employ more than 800,000 people, making us one of the world's largest private employers.

We offer our employees an immense range of exciting, rewarding and long term career opportunities where they can really make a difference in a meaningful way.

**Hirecracker** - As Silver ERS Award holders, Hirecracker Military understands the challenges service leavers face when transitioning into civilian careers. Built by veterans for veterans, we focus on breaking down barriers and creating access to meaningful opportunities. Our team appreciates the unique skills, experiences, and resilience that veterans bring to the workforce and is committed to supporting them every step of the way.

**Impellam** - Impellam offers unparalleled workforce and STEM talent solutions expertise to provide organisations with mission-critical skillsets to future-proof your business. We are a purpose-led organisation committed to building better businesses, helping people lead more fulfilling lives, providing good work for people and work for good people. Our blended approach fuses extensive workforce solutions expertise, with access to deep communities of STEM talent.

**The InsureLife Group** - We are 100% committed to helping you find the right protection policy for you and your family. The InsureLife Group have been in the insurance industry for over 20 years, and have many thousands of satisfied and loyal customers that have trusted us to deliver the right insurance policy for their individual requirements. Our friendly and expert advisors are hand picked to guide and assist when required. We're not pushy, but are here when you need us.

**Kaizen Summit** - Kaizen Summit is a veteran owned and operated Leadership and Personal Development Company - Through Face to Face and Online Training packages we teach age old servant leadership principles. Each of our mentors are battle-tested leaders from military and emergency service backgrounds who've thrived in the toughest environments. They bring real-world experience, hard-earned lessons, and the ability to cut through the noise to give you clarity, confidence, and results.

**MAERSK Training** - As experts in workforce development, we combine the dedication of our people with innovative technologies to solve real-world problems. We understand the complex industries we work in because we're right there alongside with our clients. We know what it takes to deliver training that saves lives and keeps people safe. But we do more. Whether it's teaching new skills, delivering leadership training, or managing large training programs, we help our customers succeed and perform better.

Michael Glasscock Coaching

**Michael Glasscock Coaching** - Hi, I'm Michael. I'm a Career & Confidence Coach that helps people in Health & Social care find joy in their chosen career in 8 weeks without feeling overwhelmed.

I'm a positive, easy-going coach with an informal, yet professional manner. I guide, support and challenge clients to achieve their goals and work best with clients who are serious about making a change to their careers and pursuing a life worth living..

**Military vs Cancer** - At Military vs Cancer, we support serving personnel, veterans and their families affected by cancer. We offer help with care funding, travel for treatment, home adaptations and respite breaks.

Our mission is to ensure no one in the military community faces cancer alone. One team, one fight.

**Murphy Solution** - We call it Murphy's Way. Because just like Edward, we love preparation and know that sooner or later most businesses will suffer from a greater strain. That is when the preparations are crucial. We put together extremely experienced crisis leaders with razor-sharp developers. The result is the Murphy Crisis Management and Training Platform. Want to know how you can be better equipped with Murphy in a crisis? Come see us and discover how our courses can help you grow.

**NATS** - We are looking for engineers to join our teams and take part in a vital part of the work we do. NATS are the UK's leading provider of air traffic control services.

From maintaining current systems to designing and implementing brand new technology, our engineers are responsible for providing services from project delivery through to the 24/7 maintenance of Air Traffic Control equipment across the UK.

**Newcastle College** - Offering full-time and part-time further and higher education, apprenticeships and bespoke training, we help all of our learners to gain the skills they need to achieve success and meaningful employment. We're part of NCG and work in collaboration with our colleagues across the country to share best practice and make a real impact in our local areas. Together, we offer students a great place to learn and colleagues a great place to work

**Newcastle College** - NHS Supply Chain is a vital part of the NHS, sourcing and delivering healthcare products, services, and food to trusts and organisations across England and Wales.

With 600,000+ products, 1,000+ suppliers, and 18,000 locations, we ensure efficiency and quality, allowing NHS staff to focus on patient care. We offer hybrid working, career development, excellent benefits, and an inclusive culture.

**North Star Projects** - North Star Projects helps organisations deliver key change initiatives by combining operational excellence with practical project leadership. With experience from Nissan and Rolls Royce Aerospace, we make complex projects achievable without unnecessary jargon. Our work spans supply chain, logistics, retail, and more, guided by the principle that projects succeed when people are clear on their roles, empowered, and supported by the right structure.

**Northern** - Northern provides over 2,500 rail services every weekday to over 500 destinations across the North. We are also an integral part of the communities we serve, and we are committed to being one of the best places to work too. We want to make a positive impact right across the region we serve, and to do that, we always need more great people to join our team.

**Portland Training** - Leverage your military experience to transition into a rewarding digital career. Our self-led IT courses build on your skills while giving hands-on expertise in Cyber Security, Networking, Cloud Computing, and more. We value the discipline, problem-solving, and commitment service leavers bring, helping you channel them into a high-demand industry. With recognised qualifications, practical learning, and dedicated support, you can train at your own pace and succeed in the digital world.

**Protective Care Group** - Protective Care Group is a specialist provider supporting young people with complex needs and challenging behaviours shaped by trauma. We deliver compassionate, tailored care through highly trained Support Workers who truly make a difference. With competitive pay, structured training, professional qualifications, and clear progression routes, we offer more than a job — we offer a rewarding career transforming lives.

**Quanta** - Training and Consultancy.

Unlocking the potential in individuals, your teams and workforce.

At Quanta training there is little that we can explain about ourselves without using our favourite words: "Learn, Embed, Excel." You can expect an unparalleled training experience with your needs at the centre of everything we do.

# Quilter

**Quilter** - Quilter is one of the UK's leading wealth managers. We're here to help our clients to plan and manage their finances, enabling them and their family to live the life you want.

We have a long and successful history of guiding customers through all kinds of markets. We can help them grow their investments and ensure they have the financial support they need for each stage of their life. We're here to help people have a brighter financial future.

**Raytheon** - Raytheon UK leads innovation in air travel management, digital transformation, and advanced weapon systems, ensuring air power and space dominance for Britain's armed forces. With cutting-edge technology and skilled professionals, we are committed to national security—and to investing in your career.

A job with Raytheon UK is more than work; it's a mission to protect Britain and its allies.

# ROKE

**Roke** - At Roke, our strength comes from our people and their diverse backgrounds and perspectives. We trust in their talent, skill and dedication to deliver projects, products and capabilities that protect what matters most - no matter their level of experience. Our goal is to enable you to have a safe, inspiring working environment where you can perform at your best. We will invest in you to make sure there are opportunities available for you to get involved in career defining projects, undertake new qualifications and shape your future.

**RT Consulting** - Trusted Expertise, Proven Outcomes.

We drive innovation and transformation in key sectors, including Defence, Local & Central Government, Policing and Transport. Our dedicated team collaborates closely with you to understand your challenges, aligning ourselves with project objectives to create a cost-effective solution that ensures project success. RT Consulting's collaborative approach empowers you to maintain success well beyond the project's completion.

**Ryanair** - We Are Ryanair! and we are GROWING! With over 25,000 aviation professionals from over 70 countries and we are not stopping there! As we will create thousands of new jobs as we grow to 300m guests by 2034.

Hard work and determination are key but you have to have a little fun too & at Ryanair we don't take ourselves too seriously!

**Salt Separation Services** - Established in 1990, we provide engineered water treatment solutions to global markets. Gaining a reputation for manufacturing high quality, reliable equipment with excellent spares, consumables and technical support.

By designing, manufacturing, testing, installing and commissioning Reverse Osmosis plants, we help our clients to gain access to pure, drinkable water on demand.

**Save A Warrior** - Our team at Save A Warrior UK is dedicated to the prevention of suicide and the preservation of life in our armed forces and first responder communities by providing a groundbreaking, comprehensive program through the Save A Warrior model. Drawing upon various disciplines, we have developed an intensive, integrative approach to address mental health and well-being's intricate and multifaceted aspects.

**Secure Cloud+** - Your strategic partner for Secure Defence Collaboration.

As Defence progresses through digitisation across the enterprise from back office to front line, with industry, partners in Government and across coalitions, we envision a future where our services are helping make things more efficient and safer. We are smartly integrating best in class technology to deliver high value services.

**SERCO** - We bring together the right people, the right technology and the right partners to create innovative solutions that make positive impact and address some of the most urgent and complex challenges facing the modern world. At Serco, not only is the nature of our work we do important, everyone has a role to play, from caring for vulnerable people to managing complex services. Our diverse and global operations offer you incredible opportunities to learn and grow.

**Shine A Light** - The Shine A Light initiative with the FTG and Maurice Hepworth. It's simple, Maurice is here to listen to you. Through Shine A Light you can find your voice and speak about anything that is affecting you from intrusive thoughts, depression, bereavement, life pressure, financial issues, fear, uncertainty, anxiety, the list goes on. Maurice has lived a life with hardships and real experiences and he's pledging himself to help others deal with their burdens and provide a safe space to talk. Come have a chat.

**SM Safety Training & Consultancy** - Lead the way to a safer working environment with

SM Safety Training and Consultancy Ltd. We specialise in providing high-quality Health and Safety courses and Health & Safety Consultancy Services throughout Wiltshire and Hampshire areas.

**symposium**

**Symposium IT** - Symposium IT, a leading Managed Service Provider (MSP) based in Manchester, specialises in digital transformation and cloud adoption. Our goal is to help organisations utilise technology for innovation, efficiency, and growth.

The name "Symposium IT" reflects our commitment to collaboration, knowledge-sharing, and innovation in information technology, drawing inspiration from ancient Greek symposia.

**The Franchise Consultant** - Unlock the power of franchising with our 30+ years of expertise. We provide comprehensive support, from franchise development and customised solutions to franchisee recruitment and ongoing guidance.

Whether you're launching, growing, or refining your franchise, we're here to help. Start your journey with confidence today!

**The Gym Group** - At The Gym Group we pride ourselves on our "people first" approach and the inclusive workplace we have created. We are constantly evolving and adapting to the world around us to reflect and support our teams and our members. Our teams really are brilliant, passionate and experienced and we're sure if you asked them they'd tell you how dedicated to our people. We support and invest in their future career adventures because we want them to grow with us!

**The Wind Academy** - We are an offshore wind training provider based in North East England. Created by experienced industry heavyweights, using our extensive hands-on knowledge to train the next generation of clean energy professionals.

Courses are targeted at candidates wishing to enter the offshore wind industry, to strengthen existing skills, and bring new opportunities to already successful careers.

**Thurra Ltd** - Thurra provides independent statutory inspections across lifting & handling, pressure systems, power presses, and local exhaust ventilation.

Our expert Engineer Surveyors help businesses ensure safety, compliance, and efficiency, extending equipment lifespan through reliable legislative guidance. We're expanding our team and looking for qualified professionals to join us.

**Trinity Claims** - Trinity Claims provides a dedicated claims service for our sister company, Policy Expert, blending technology with traditional customer service to deliver a leading claims experience. Growing rapidly, Trinity Claims is becoming a recognised employer in the sector, offering apprenticeships, career development through Trinity Academy, a comprehensive benefits package, and a supportive environment with trained advocates for both staff and customers.

**TSL** - We are a leading multidisciplinary contractor that delivers innovative engineering solutions across the civil engineering and construction sectors including rail, highways, defence, airport, marine, energy, water, and environmental infrastructure. All great things start somewhere, and here at VolkerWessels UK they start with you. We're looking for capable, down-to-earth people with an appetite for exciting challenges. Come see us to find out more.

**Utility Warehouse** - The UW Story... From a pub in Henley back in '96, to an award-winning business with over a million customers – we've come a long way.

For over 20 years we've been putting money back into people's pockets through our unique utilities bundles. We take pride in delivering simple yet powerful services to our customers with a personal touch. Join us to help people save money and time.

**Veterans into Logistics** - Veterans into Logistics is a nationwide charity helping veterans transition from military service into civilian careers in the Transport and Logistics sector.

Founded in 2020 by Darren Wright, formerly of 7RHA, the charity supports veterans in retraining and securing well-paid, sustainable roles with partners including Asda, Yodel, Muller, EMR, Booker/Best Food Logistics, GXO, Lineage, GAP Group, Driver Hire, Fresh Linc, and more.

**Veterans Welfare Group** - Veterans Welfare Group is a support hub for military personnel, veterans, and their families. It brings together a network of trusted, independent professionals who provide advice and guidance before, during, and after discharge from the armed forces. Our members possess the skills and expertise to offer support in areas such as finance, legal, employment, education, relocation, and rehabilitation. They also understand the complexities of various types of injuries and how these can affect everyday life.

**Volker Wessels UK** - We are a leading multidisciplinary contractor that delivers innovative engineering solutions across the civil engineering and construction sectors including rail, highways, defence, airport, marine, energy, water, and environmental infrastructure. All great things start somewhere, and here at VolkerWessels UK they start with you. We're looking for capable, down-to-earth people with an appetite for exciting challenges. Come see us to find out more.

**Wilderness Way** - At Wilderness Way, we welcome people from all backgrounds who are ready to make a real difference. You don't need formal qualifications—just the passion, patience, and commitment to inspire and support young people.

Our team forms strong, life-changing bonds with children, helping them grow and thrive. If you're ready to guide others toward a better future, we're ready to help you start that journey.

**Caterpillar** - Our employees are the backbone of Caterpillar's success. They provide the innovative and diverse thinking we need to serve our customers. We value the military community, and by leveraging each individual's skills, abilities and experiences, Caterpillar employees can achieve superior business and personal results. Come build your skills and join a global company that's helping our customers build a better, more sustainable world.
